

OUTDOOR CLOCKS & THERMOMETERS

Stratford Clock

20056 - 4 Per Case
 Antique rust finished metal framed clock includes temperature and humidity dials. Behind the glass lens, a soft cream face reads in Roman numerals on the clock and English numerals on the thermometer and hygrometer. 15" diameter

Lincoln Thermometer with Clock

20057 - 4 Per Case
 A slate grey metal frame surrounds a full-sized thermometer with a built-in Roman numeral clock. The attractive cream face is covered with a glass lens. 15" diameter

Mollington Clock

20058 - 4 Per Case
 Bright copper finished metal frame surrounds a crisp white dial with black Roman numerals on the clock. English numerals complete the thermometer and hygrometer behind the glass lens. 15" diameter

Doddleston Clock

20061 - 4 Per Case
 A contemporary twist on a classic look ... this clock boasts a black frame and center dial with silver cut-out Roman numerals and classically shaped hands. Clear glass lenses on front and back complete this modern look. Built-in thermometer and hygrometer. 14.25" diameter

York Clock

20052 - 4 Per Case
 Wood - look poly resin framed clock includes thermometer and second hand. A glass lens covers the parchment colored face that features Roman numerals on the clock and English numerals on the thermometer. 12" diameter

Henley Clock

20053 - 4 Per Case
 Rust - look poly resin framed clock includes thermometer dials in Fahrenheit and Celsius. The cream face features black Roman numerals on the clock and English numerals on the thermometers behind the glass lens. 16" diameter

Conventry Clock

20051 - 4 Per Case
 Black poly resin frame and glass lens encompass a classic cream colored face with Roman Numerals. The thermometers feature English numerals in Fahrenheit and Celsius. 16" diameter

Evesham Clock & Thermometer

20054 - 4 Per Case
 Stylish yet practical clock and thermometer in an antique rust-like casing. Held in a decorative bracket, it has the added advantage of swiveling 360 degrees. English numerals, glass lenses and metal frame. 15.25" x 7" x 4"
