

INSTRUCTIONS

930 Garden Obelisk

- Please note that frame section B is larger than frame section C. Frame section B should be assembled on the outside of frame section C.
- This obelisk should be securely anchored in your garden soil or in a container filled with soil.
- If you have any questions, problems, assembly difficulties, or just need to contact us, please call our customer service department at 800/327-4635. Thank you.
